" ...what we now have is the biggest tax increase in the history of the world. What we have been told by the chief justice of the Supreme Court and four liberals on the court: Obamacare is just a massive tax increase."

Michele Bachmann on Saturday, March 16th, 2013 in a **speech** at Conservation Political Action Conference (CPAC) said, " ... Scientists tell us that we could have a cure in 10 years for Alzheimer's, if we'd only put our mind to it. ... Because our government, proclaiming to care so much, has created a cadre of overzealous regulators, excessive taxation and greedy litigators. That's not caring. It's time we care."

Eric Cantor, sent a Tweet on Feb. 19: President Obama wants to raise your taxes so he can pay people \$1.2 million to play World of Warcraft.
